AIRGLIDE & FLOOR STAND

The **ECLIPSE™ AIRGLIDE** is ideal for use with 5' x 8' sheets and features a 65" vertical capacity. Cutting and clamping mechanisms both operate on standard compressed air*.

The Eclipse™ AirGlide includes a Blade cartridge plus two speed settings for consistent quality with reduced fatigue. Both floor stand and wall mounting options are provided to fit your space. Optionalrylic, Glass, and Composite cartridges are available to efficiently cut the variety of substrates you use most.

YOUR PURCHASE INCLUDES:

- ✓ **AIRGLIDE PNEUMATIC MATERIAL CUTTER**
 - AirGlide Dimensions: 259 cm Height x 250cm Width
- ✓ **FLOOR STAND & WALL MOUNT BRACKETS**
- ✓ **QUICK-CHANGE BLADE CARTRIDGE & HOLDER**
 - Blade Cartridge + Box of 50 Blades
- ✓ **2-YEAR WARRANTY ON PMC PARTS**
